### Notes:

- Websites will be selected each month based on current information being promoted to families.
- Blank cells will be filled based on current trends and information requests from services
- Pay either annually or monthly via credit card to receive one factsheet per month for distribution to families
- How you share is up to you. You may choose to:
  - Send to all families in a bulk email (we recommend using BCC)
  - Attached to your current Newsletter
  - Use the information as a guide and copy those you wish to share into your current newsletter format to save you research time.
