

Monthly Family Factsheet 2021

A systematic approach to providing families with information relevant under the National Quality Standards and their parenting role.

Less than \$1/day for the primary centre and only \$0.31/additional centre/day!

When it comes to Assessment and Rating, this is an easy way to demonstrate communication of policies, National Quality Standards, Health and Safety Information and information on learning and development.

Emailed to your service every month, saving you time!
