

# Monthly Family Factsheet 2023

A systematic approach to providing families with information relevant under the National Quality Standards and their parenting role.

**Less than \$1/day for the primary centre and only  
\$0.30/additional centre/day!**

**When it comes to Assessment and Rating, this is an easy way to demonstrate communication of policies, National Quality Standards, Health and Safety Information and information on learning and development.**

**Emailed to your service every month, saving you time!**
